

the ALLYN

Riverside Cabins

HOW TO GET THERE.

Coming from South:

Head for Maitland

Then head for Paterson and stay on the road to East Gresford

We are located approximately 35km north of East Gresford.

You will pass the pub, if you want dinner before you arrive you could stop here. There is also an IGA, good for last minute supplies but remember that this is the country and it closes early.

Once in East Gresford you continue on the Allyn River road passing through small hamlets of Allynbrook & Eccleston.

Just outside Eccleston the road become **dirt**, you are now only **9kms** away. You will need to cross **4 causeways** and pass "**Boot Hill**" and the **Scary Tree**. Keep you eyes out for them!

The last causeway you will actually **cross in the river** on a concrete pad. If the River is flooding then you will need to check on an alternate route with us.

After this causeway you cross 3 more **cattlegrids**, after the **3rd** you will notice a gate immediately to the right looking down to the river. You will see our sign. Open the gate and come on down.

We love this place and have put our heart into it. We hope that you will enjoy your stay and leave the place feeling relaxed and refreshed.
